SPARE PARTS LIST

Items code	Pictures	Designation
Spare Parts for RIPAGREEN® THERMAL LANCES		
131003RG		Piezo igniter for thermal lance
132054		Spark plug
140020		Flat seal for DIN gas pressure regulator
140102		Flat seal for UNI gas pressure regulator
140054_UL		Flat seal for US-BS gas pressure regulator
148043		Swivel connector with mesh filter
234141		Adjustable pressure regulator-double safety 1.5-2.5 bar-Securipack (UNI)
234142		Adjustable pressure regulator-double safety 1.5-2.5 bar-Securipack (DIN)
234143		Adjustable pressure regulator-double safety 1.5-2.5 bar-Securipack (US/BS)
248110RG		Stainless steel nozzle - Heat diffuser + Filter (Spark plug not included)
248113		Gas tap DIN
250132		Reinforced rubber hose, 4 meters with 3/8L connections (int. Ø 6 mm) DIN
333539		MAINTENANCE KIT EXT S33 ALUMINUM
333540		MAINTENANCE KIT MINI EXT RG ALUMINUM
333541		MAINTENANCE KIT EXT RG 1ST GENERATION ALUMINUM

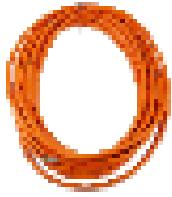

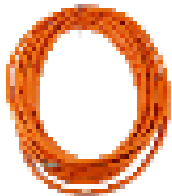

SPARE PARTS LIST

Items code	Pictures	Designation
131138		Textile logoed sleeve for straight extension tube of Combo lance (Velcro fasteners)
131145		Non-return safety filter
131169		Rubber shock absorber
133205		Wrench 19/30 for DIN connections
133238		Wrench 19/24 for USBS connections
133403		Trigger
133415		Allen wrench 3
135324		Fixing glue for aluminum sleeve
137081		Ground pin (inside of gun body)
137084		Molykote Grease (50 gr)
140061RG		Nozzle O'ring - ins. Ø 28.24 x Ø 2.62 (for lance plastic nozzle)
140084		Nozzle O'ring - ins. Ø 34.82 x Ø 3.53 (for gun body nozzle)
145015		Jet cover with o'ring
150153		Sliding trapdoor of reserve igniter
150154		Aluminium Gas Tube

SPARE PARTS LIST

Items code	Pictures	Designation
152052		Screw CHc M4x16
152153		Screw CHc M4x35
233418		Body aluminium with DIN O'rings (dark grey)
233419		Pawl & Spring / Trigger lock
233441		1/2 right handle + Ripagreen sticker
233442		1/2 left handle + Ripagreen sticker
233470		Repair Kit / Small Straight Combo Tube (Wire, Centering Device, Sleeve, Glue)
233472RG		Repair Kit / Mini Lance (Wire, Centering Device, Sleeve, Glue)
233474RG		Repair Kit / former Standard Lance (Wire, Centering Device, Sleeve, Glue)
239102		Propane jet DIN
241019		Electrical Connection Kit / body gun (without igniter piezo)
246162		Swing plastic handle for Mini or Combo thermal lance (new type)
249064		Jet bearer complete (incl. Bearer + jet + o'ring + cover)

SPARE PARTS LIST

Items code	Pictures	Designation
250023		Reinforced rubber hose, 8 meters with 3/8L connections (int. Ø 6 mm) DIN
250100		Hose 20 meters with connections 3/8L (int.Ø 6)
250099		Reinforced rubber hose, 15 meters with 3/8L connections (int. Ø 6 mm) DIN
250215		Reinforced rubber hose, 1 meter with 3/8L connections (int. Ø 6 mm) DIN
331107		Straight tube 30 cm for Combo lance (elec. wire, seals and textile sleeve)
333339		Tubes 33 & 90 cm for Combo lance (elec. wire, seals, handle and textile sleeve)
335293		Tube 90 cm for Mini or Combo lance (elec. wire, seals, handle and textile sleeve)
148216		Spring neck casing extension

TROLLEY

(EASY / EASY+)

SPARE PARTS LIST

Items code	Pictures	Designation
249084		Elastic strap with hook for gas cylinder / Trolley
131110		Front wheel pin for Ripagreen cart extension
133631		Direction wheel bracket for RIPAGREEN® Trolley (with 2 rings, without wheel)
138001		Textile logoed cover for gas cylinder from 11 to 15 kg
231156		Plastic pads for bottle removal with screws (4 pieces)
241026		(A) Screws set of Ripagreen Trolley (set for trolley chassis)
241027		(B) Screws set of Ripagreen Trolley (set for wheels & brake)
241028		(C) Screws set of Ripagreen Trolley (set for driving tiller)
248202		Solid wheel (rim & tire) + claw fixing hubcap
331111		Optional 4th wheel (1 solid wheel on rim + axle and spacer / trolley)

HARNESS

(MOBILITY / EASY+)

SPARE PARTS LIST

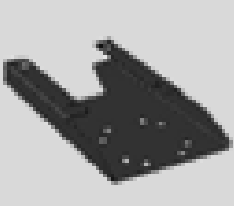

Items code	Pictures	Designation
131154		Elastic suspension for lance holder with snap hook (for stainless steel bracket)
131146		Strap bottle support for ergonomic harness
131152		Shoulder straps for ergonomic harness (left and right, with adjustment straps)
131153		Full waist belt (with adjustment straps and spine protection)
131155		Ergonomic harness holder handle
131192		Waterproof logoed textile cover with reflective strips for bottle on harness
131223		Locking button for the harness stem
133672		Inflatable lumbar cushion complete with textile cover
231158		Stainless steel lance holder (with ring, without elastic suspension or snap hook)
250215		Reinforced rubber hose, 1 meter with 3/8L connections (int. Ø 6 mm) DIN
240120		Hose for remote regulator NF/USBS (Kersten UK only)

FRAME & HOSE REEL

(AUTONOMY /
AUTONOMY+ /
AUTONOMY DUO)

SPARE PARTS LIST

Items code	Pictures	Designation
Spare Parts for UNIVERSAL FRAME of AUTONOMY KITS		
138001		Textile logoed cover for gas cylinder from 11 to 15 kg
134153		Sheet metal for frame mounting - for new gas hose reel winder 2022
333659		Kit of 2 adjustable arms for universal frame on trailer or tipper
151007		Securing belt for gas cylinder / Autonomy universal holder frame
231157		Foam holder set for lance, with rubber bracelet, hook & plastic cap
